

## Avaritia: A Fable

Mice and rats put aside their differences to establish a society underneath the shade of a cottonwood tree. After a horrible disaster, the mice create the Kindness Pile. Its purpose? To eliminate inequality, fear, and poverty forever! However, it isn't long until greed and corruption creep into their utopia. Lines are drawn, blood is spilt, and caught in the middle is Benny, a quiet mouse who begins to question what it truly means to live a life of freedom and purpose.
