

Punisher Moon Knight And Daredevil Big Shots

The House of Ideas is unleashing the Big Shots this summer - and when we say big, we mean BIG! Three of Marvel's biggest street-level superstars - Daredevil, Moon Knight and Punisher - get amazing makeovers in new series by comics top talents. And SPOTLIGHT goes behind the scenes on each of them! The Eisner Award-winning combination of Brian Michael Bendis and Alex Maleev has shared triumph after triumph in the pages of DAREDEVIL, SPIDER-WOMAN and HALO: UPRISING. Now, they turn their attention to Marc Spector, a.k.a. Moon Knight! Mark Waid works his magic on the life of Matt Murdock in DAREDEVIL, with AMAZING SPIDER-MAN art sensations Paolo Rivera and Marcos Martin! And superstar writer Greg Rucka makes his grand return to Marvel with the gritty adventures of Frank Castle, the Punisher! SPOTLIGHT celebrates the Big Shots in August!
