

The Demon Gabriella

Surviving an onslaught of dark forces took talent, strength-and allowing the Demon Abraxas into the world. Now Sabel Youngs order wants her to answer for her actions. All Sabel wants is the freedom to love the woman she rescued, Ana Khoury. Nearly killed-and worse-in a world of magic she didnt know existed, Ana is nursing new scars and old. Her brother wants to journey to South Dakota to confront their shared past before that opportunity is lost forever. Sabels feud with demons and witches isnt going to stop her from going with him. Sabel knows theres nowhere that Ana can go that evil wont follow and she fears their newest ally, the Demon Gabriella, is a more profound danger than their enemies.
