

## Journey through Darkness

Azende, a Tamrin commander seeks out the Medjays, his tribes last hope against the Aksumite occupation. But instead he finds Joval and her small clan of exiled mercenaries. Together they must build an army capable of destroying their enemies, the Pharaoh of Kemet and the Emperor of Aksum...Joval, the last General of the Medjays wants vengeance for her fallen clan. But ancient soul stealing concubus will stop at nothing to keep her from her destiny...Tefenon, the Crown Prince of Kemet never understood why he was called the Child of Ra since birth even though he was born into a kingdom that only worships Set, the storm-god of chaos. He is about to find out...This is their saga....
