

Life and Adventures of Martin Chuzzlewit (Illustrated): Deluxe Edition with more than thirty full-color illustrations

Deluxe Edition - includes more than thirty full color illustrations. Set partly in America, the novel includes a searing satire on the United States. Martin Chuzzlewit is the story of two Chuzzlewits, Martin and Jonas, who have inherited the characteristic Chuzzlewit selfishness. It contrasts their diverse fates of moral redemption and worldly success for one, with increasingly desperate crime for the other.
