

## Voltage: A Rising Hero Novella

\*VOLTAGE is the debut novella from fifteen-year-old Nicholas Park.\* Sixteen-year-old Carter Gabriels has nothing. He lost his parents when he was eleven, his city has become a wasteland of crime, and hes scraping by with a low-paying job and a pretty unhappy life. He simply wants things to get better. Hes trying. But when a new drug hits the streets, Carter gets caught up in a dark world and gains the power to manipulate electricity. A power that could enable him to battle his citys darkness. Damone Harris wife is dying of cancer, and hes in desperate need of money. He accepts a job from business tycoon Michael Hoffman and takes charge of distributing a drug that claims to elevate all levels of human capacity. When an accident gives Damone beyond-human powers, he finds new strength...but begins to lose his mind. Will he become a puppet to Michael? Or something far worse to mankind? Its up to Carter to save the city and defeat Damone and Michael. However, he must also deal with his own tormented psyche and the mysterious death of his parents... (Note: This book contains a few uses of strong language.)
