

The Good Luck Girls of Shipwreck Lane: A Novel

The HomeSweetHome Network has just announced this years lucky winner of a brand-new, fully loaded dream home: Janine Brown of Cedar Falls, Iowa. For Janine Janey Brown, hearing her name called on the TV has the hallmarks of one of her aunt Midge's harebrained plans designed to bring Janey into a world outside the one she once shared with her fiancé. Janey, however, is reluctant to give up the safety and sanctity she finds in her tiny kitchen, submerging her anxiety and grief in the pursuit of the perfect pot-au-feu. Meanwhile, across town, Janine Nean Brown just knows that this house is her destiny. Good fortune took its sweet time showing up in her life, but better late than never. And now that it's here, the house promises an escape from the latest in her revolving door of crappy jobs and drunk boyfriends. This house will turn her into someone the world sees, instead of the bedraggled girl who others look past without a thought. Both Janine Browns head for Christmas Cove, Maine, to claim the prize they both rightfully think is theirs. When their lives and personalities intersect, however, they discover that more than just a million-dollar dream home awaits them at the water's edge. These three women (oh yes, Aunt Midge comes along for the ride!) arrive at their newfound mansion only to uncover what exactly it means to truly be home. Filled with wit and charm, *The Good Luck Girls of Shipwreck Lane* is Kelly Harms's enchanting and heartfelt debut—a testament to the many, many ways love finds us, the power of a home-cooked meal, and just what it means to be lucky.
