THERE IS SEX IN THIS BOOK, BUT NOT AS YOU KNOW IT... Whats it all about, then? Life. Why does stuff happen and is there any point anyway? Does anybody have a Plan? Well, actually, they do. But its not as well thought out as you might hope...Unfortunately, it turns out that Heaven is uncomfortably like Earth, with a lot of the same idiotic people, and ridiculously bureaucratic. Of course, the angels mean well but their Grand Plan is just begging to be sabotaged... Nigel Peaces hilarious debut novel takes us at breathtaking pace on a fantastic journey involving terrorism, lost identities, car chases, roulette, the delivery of fish, some SEX and a few Good Guys. Oh yes, and a nice dog.
