

The Inn at Lake Devine (Chivers Sound Library American Collections (Audio))

It s the early 1960 s and Natalie Marx is stunned when her mother inquires about vacationing at a Vermont hotel and is refused because their family is Jewish. So begins Natalie s fixation with the Inn and the family who owns it. And when Natalie finagles an invitation to join a friend on vacation there, she sets herself upon a path that will inextricably link her adult life to this peculiar family and their once restricted hotel.
